Station Mangalore, Dated the 3rd July 1937.

From (Name) M.R.Ry. C.R.Karuṇakara Menon, Avl., B.A., B.L.
(Designation) Commissioner, Mangalore Municipality

To The Secretary to the Government of Madras

Through: PUBLIC WORKS & LABOUR Department.
MADRAS.

Sir,

The Chairman, Municipal Council. Mangalore.

I enclose herewith a copy of the letter 822/17 dated the 22nd March 1937 from the Resident Engineer, Mangalore Electric Supply Co,Ltd., Mangalore, requesting for permission to carry overhead mains along the Mangaladēvi Temple Road. As this is not in accordance with the license granted to the Company the matter was placed before the Council whose resolution No.29 dated the 19th April 1937 on the subject is enclosed. But since then the Resident Engineer has slightly changed the original proposal as is apparent from his letter dated

dated 15th June 1937 and the sketch attached to it. On enquiry I find that a small temple car has to pass underneath the electric main somewhere near the point marked 'A' in the second sketch sent by the Resident Engineer. There is also enough room for this to pass underneath these wires. I therefore request that Government may be pleased to waive the provision contained in the 3rd annexure of the license granted to the Company (G.O.No.1379 W dated 6.5.1930) in regard to the Mangaladevi Road i.e. from the Temple to Karnamikatta.

The Resident Engineer of the Mangalore Electric Supply Co.Ltd., has sent to this office the consent of the Muktessors of the Mangaladevi Temple to the Resident Engineer's proposal contained in his letter dated 22nd March 1937.

Copies of the letters of the Resident Engineer dated 22.3.1937 and 15.6.1937 with that of the enclosures to both and the resolution of the Council in the matter are all enclosed. I am requesting the Resident Engineer not to proceed with the work pending orders of Government in the matter although he is of opinion that sanction of Government for this change is not necessary.

Your obedient servant,

Commissioner, M.M. 6.7.37.

Forwarded.

Chairman, M.C.

Dated

DESPATCHED
- 7. JUL 1937

Copy of the letter from the Resident Engineer, The Mangalore Electric Supply Co,Ltd., Mangalore, No.Man/822/17 dated the 22nd March 1937 to the Commissioner, Mangalore Municipality, Mangalore.

Dear Sir,

RE: ERECTION OF OVERHEAD MAINS IN MANGALADEVI ROAD FROM MANGALADEVI TEMPLE TO MARUNEMI KATTA.

"THE MANGALORE ELECTRIC LICENSE 1930".

I beg to inform you that I am considering the question of extending our mains in the Mangaladevi Temple Road as shown in Red in the attached sketch.

As per the License for the supply of electrical energy granted to this company by Government of Madras under Electricity Act 1910, in Public Works & Labour Department Order No. 1379 W dated 6th May 1930, Third Annexure to the Electric Conductors in Mangaladevi Road from Mangaladevi Temple to Marunemi Katta should cross underground. The reason for above, is obviously to facilitiate the Mangaladevi Temple Car being taken along the road without having to remove our copper wires, etc. in case Overhead mains are installed across the Roads.

From the attached sketch you will please see that the proposed overhead mains do not cross the road throughout the route of the Temple Car i.e. from Mangaladevi Temple to Marunemi Katta.

As the cost of laying an underground cable for the anticipated revenue in the roads under consideration, would be prohibitive; I request you to kindly let me know if you would agree to my putting up overhead mains on the southern and eastern side of the roads as shown in the attached sketch.

I am sending a copy of this letter to the Trustees of the Mangaladevi Temple for their information also.

Yours faithfully,
Sd/- A.V.Ramaswami.
Resident Engineer.

Commissioner, M.M.

Copy of the letter from the Resident Engineer, The Mangalore Electric Supply Co,Ltd., Mangalore, No.Man/1679/17 dated the 15th June 1937, to the Commissioner, Mangalore Municipality, Mangalore.

Dear Sir,

RE: SECTION 13(1) OF THE INDIAN ELECTRICITY ACT.

I beg to inform you that I propose to extend my L.T.Distribution mains in the following roads and shall be obliged if you will kindly let me know when it would be convenient for the Municipal Engineer to go round for fixing the position of the poles.

1.From Jeppu market to junction of Tilery Road and Mangaladevi Road.

2.Jeppu Market to 1st Railway Bridge.

3.From Jeppu Higher Elementary school to Mr.Hamilton's Bungalow in Mangaladevi Road.

A sketch showing the route has been enclosed herewith.

Yours faithfully,
Sd/- E. Ditch.
Resident Engineer.

The places are marked in the sketch plan

Mangalore Electric Licence

Route of underground cables

Alteration

Please see item 5 of the third annexure to the Mangalore Electric Licence. Underground cable has to be laid in the road between Mangaladevi Temple to Maruvenikatta. The proposal is to lay overhead main along this road. To do this the item referred to should be deleted from the third annexure to the licence, and it involves an amendment of the licence. For a precedent please see G.O.No 157 Wdg 23-1-36. It is the ... who should have moved in the matter. applied to Govt. in accordance with the rules, and the municipal Council should have informed the licensee accordingly instead of addressing Govt. The Commissioner may be informed accordingly. Draft memo is submitted

M A D R A S.

Sir,

The Mangalore Electric License 1930:
Third Annexure - Amendment.

We have the honour to apply for an amendment of the License granted to this Company, by the omission of item 5 in the Third Annexure to this License.

Our reasons for this request are that the road in question is a broad one, broader than most of the streets in Mangalore, and though a part of it forms part of a car route, the car which is used on this route is a very small one, not large enough to interfere with overhead conductors in any way.

This matter has already been brought before you by the Commissioner of the Mangalore Municipality, and we would invite your attention to Memorandum No.2184/E/37-1 dated the 21st of July 1937 issued by yourself regarding this matter.

The road in question has recently been shown to

the Electric Inspector to Government, and we understand that our request is approved by him.

We have the honour to be,
Sir,
Your most obedient servants,

Sir,

The Mangalore Electric License 1930:
Third Annexure - Amendment.

In continuation of our letter No Man/907/30 dated the 22nd ultimo, we have the honour to advise despatch to you under separate cover of three copies of "The Hindu" dated the 24th, 25th and 26th ultimo containing the advertisement of our application for the change in the License, in accordance with rule 15 (4) of the Indian Electricity Rules.

In accordance with the same rule, we should be obliged if you would kindly have our application published in the Fort St. George Gazette within six weeks of the date of the first issue of the paper now sent.
